

Back to School

with SafeGuards

*Social distancing
for any space*

All partitions are fabricated to **NYSED** standards & requirements for safety & fire rating

- *Available as
- clear or opaque
 - freestanding
 - table top

WHY CHOOSE US?

Our SafeGuard partitions help students and staff feel safe by maintaining social distance and creating physical separation. Together we can help you integrate the best protective measures for your school. We will take care of your project from start to finish with a collaborative process and safe, quality fabrication.

SafeGuard Freestanding

A/A1

Frame
52.5"w
76.5"h
12"d

Window
47.5"w
71.5"h

Starting at
\$860 ea.

*Available with
triangular feet (A1)
Starting at **\$945 ea.**

In circumstances where 6' distancing cannot be achieved, partitions can be used to create a safe environment without sacrificing visibility or preventing interaction.

These freestanding walls are ideal for using classroom space efficiently. Partitions are available in standard sizes for convenience and frames are fully customizable for any space requirements.

B/B1

Frame
28.5"w
76.5"h
12"d

Window
23.5"w
71.5"h

Starting at
\$775 ea.

*Available with
triangular feet (B1)
Starting at **\$860 ea.**

C

Frame
76.5"w
76"h
12"d

Window
71.5"w
47.5"h

Starting at
\$740 ea.

***All available with clear or opaque infill panels**

CLEAR | acrylic glass or polycarbonate provides an open feel, keeping people connected yet safe.

OPAQUE | solid materials help to create privacy and safe environments.

**Per unit pricing based on minimum order of 40 units*

SafeGuard Tabletop

D

Overall Unit
55.5"w
54"h

Vertical Infill
23.5"w
52"h

Horizontal Infill
23.5"w
25.5"h

Starting at
\$625 ea.

Multi-person tables require special protective measures to ensure the safety of each individual without preventing interaction.

E

Two D units with add on horizontal panel

Horizontal Overall
35.5"w
25.5"h

Horizontal Infill
33.5"w
23.5"h

Starting at
\$1,425 ea.

Tabletop partitions work well for computer labs, conference rooms, cafeterias, science tables and art rooms, with the flexibility for add-on panels and different configurations based on table capacity. Partitions can be mounted to desks, counters, and tabletops using safe and secure attachment methods, without damaging furniture.

F

Frame
49.5"w
25.5"h

Infill
47.5"w
23.5"h

Starting at
\$545 ea.
